

THE PANTHER PRINT

PRINCIPAL: BRETT HUMPHREY ASSISTANT PRINCIPAL: ASHLEY GRANT

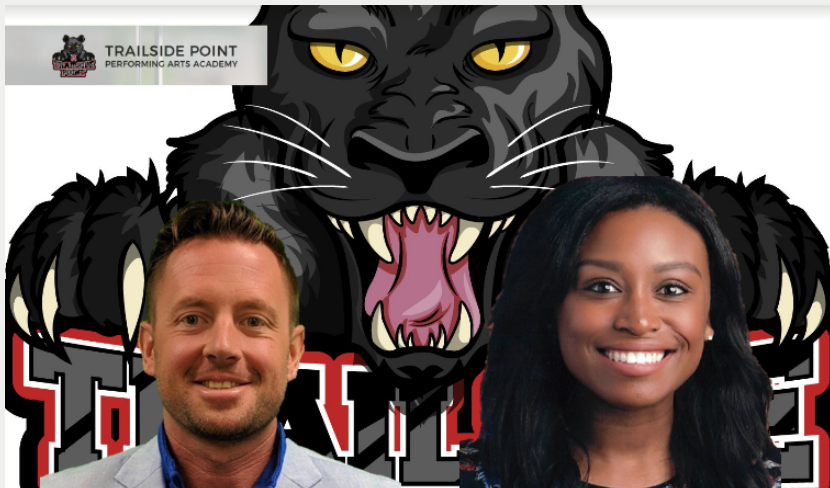

A MESSAGE FROM YOUR PRINCIPAL

Distance learning has been an opportunity for the Trailside Point Community to show how strong we are as a community. Families, Students, and the TSP staff have all stepped up to show that the Trailside Community values the power of education and will do whatever it takes to continue learning, whether it be in person or from a distance.

Our goal to start the year was to engage students in distance learning while learning best practices for a digital platform of learning. What has been observed is the power of relationships and education coming together to do what is best for children of TSP. Thanks to all who have helped make TSP perservere, even through difficult times. As the Principal of TSP, I am proud to be a part of and serve this community. #community

Your Principal,
Brett Humphrey
