

THE PANTHER PRINT

PRINCIPAL: BRETT HUMPHREY ASSISTANT PRINCIPAL: ASHLEY GRANT

Dear TSP Families,

Our TSP Panthers are off to a great start in January, and we are enjoying this beautiful Arizona weather. Students started the new year practicing P.A.C.T. expectations around campus. Students also focused on celebrating recent NWEA assessment data and setting goals. Ask your child about P.A.C.T. expectations and how they did on NWEA to see what their goals are!

Despite the challenges Covid-19 has presented our community and the country, students and staff at TSP have ensured learning continues in person. As a reminder, be sure to send students to school with face-coverings. The Arizona Department of Health Services and the Maricopa County Department of Public Health recommend that all individuals, *regardless of vaccination status*, wear face-coverings while indoors at school. The Laveen School District has two regulations: **GBGB-R Staff Personal Security and Safety and JICA-RB Student Dress; state students and staff shall wear face coverings** when deemed necessary by federal, state, or local health authorities. The Laveen School district has Covid-19 testing resources available. Check <https://www.laveenschools.org/> for details. We are encouraging all our families to order their free Covid tests at covidtests.gov.

Students in grades 3rd-8th will be taking the **NWEA MAP Growth Tests the week of February 14th**. More details will be coming soon about this important week. Be sure to check your teacher's emails for testing dates and ways you can prepare your child. We are looking forward to reviewing the data and seeing the progress students are making!

Join us at **Skyzone in Laveen on February 8th from 4:00 p.m. to 7:00 p.m.** Students, staff, and families can join in the fun together and raise money for our school.

Thank you for your support this school year!

Sincerely,

Brett Humphrey, Principal, Trailside Point Performing Arts Academy
