

THE PANTHER PRINT

Principal: Ashley Grant Assistant Principal: Rachel Boyle

October 3, 2023

Dear Trailside Point Families,

Quarter 2 is off to a great start! We have already had some great events take place this quarter such as our Data Assemblies and our Fall Performing Arts Festival! It was so great to see so many of you there as we continue to grow and build our partnerships together.

Attendance:

School attendance is crucial for our students' success! Students cannot learn and grow if they are not at school. If children don't show up for school regularly, they miss out on fundamental reading and math skills and the chance to build a habit of good attendance that will carry them into college and their future careers. We know that our Panthers are capable of so much, and we want to see them continue to flourish and grow with their learning while they are at school each and every day! Students who have 0 absences and less than 3 tardies will be invited to a BBQ with Ms. Boyle as a Quarter 2 attendance incentive!

Native American Heritage Month:

November is Native American Heritage Month, a time to celebrate the rich and diverse cultures of Indigenous peoples. At school and at home, we can take this opportunity to learn about the traditions, history, and contributions of Native Americans. In the classroom, teachers can incorporate Native American stories, art, and activities to help students gain a deeper understanding of this important heritage. Parents can engage their children in conversations about Native American history and take the time to explore museums, books, and online resources that showcase Native American culture. By doing so, we can encourage appreciation and respect for the Native American heritage, fostering an inclusive and diverse learning environment.

Home to School Connection:

This month for our home-to-school connection I'd like to emphasize the importance of gratitude. Gratitude involves showing appreciation for all things in life that are both meaningful and valuable. It is important that we teach our Panthers to be thankful for things both at school and at home. We encourage you to have conversations with your students to inquire what they are thankful for when it comes to both school and home.

Thank you for giving us the opportunity to work and teach with your child each day. We value your partnership and collaboration! If you ever have any questions or concerns, please do not hesitate to reach out.

Smiles,

Ashley Grant
