Ready to welcome students

Unleash your Superpower!

Each year Trailside determines a theme to set the tone for the school year. This year's theme is “Unleash your Superpower”.

Everyone comes to us with different strengths and skill sets. By working together and utilizing our strengths collectively, both students and staff can work at high levels. We look forward to learning about our strengths this year to help us grow.

Meet the Teacher Night was a success!

Dismissal

Thank you for working with us the first week while we ironed out our dismissal. We are decreasing our time every day. A few reminders: If your child is car pick-up, please have your car tag displayed in your windshield. Students are waiting in a classroom for their names to be called. Students' names will be called along with the lane number your vehicle is in. For example, the lane closest to the school is Lane 1 and the lane closest to the parking lot is Lane 2. Please remind your Panther to listen for their name and lane number. We do this to ensure the safety of our Panthers.

If you plan to walk up to the school and pick up your panther, please use the East Gate of the school. Mr. Bowden, our Dean of Students, is out there calling names for kids to meet their families.

Parents as Partners

With the support of Desert Financial, Bonica Duran, and Joe Wise, we have backpacks and supplies that were donated to the school. Thank you for your support!

WHAT'S NEW?

CONGRATULATIONS

Excellence in Education

Ms. Haley is Trailside's 2023-24 Excellence in Education recipient. Ms. Haley exemplifies quality teaching and professionalism. She supports students, families, and other teachers on campus. She is a teacher leader at TSP. We appreciate your impact on our students.

LAVEENS GOT TALENT

Ms. Kiela steals the show

Each year, the Laveen School District chooses a theme to guide us for the upcoming year. This year, our District's theme is "Laveen's Got Talent!" Ms. Keila, a computer technician by day, and artist extraordinaire by night, showcased her talent to the entire district. Ms. Keila's got talent!!!

Panther Spirit Wear shirts/sweatshirts purchased through the school spirit wear website can be worn on regular school days, as long as students follow district guidelines on dress code.

LAVEEN ELEMENTARY SCHOOL DISTRICT

School Safety Tips for Parents

School Lockdowns

Your child's safety is our top priority. Laveen schools routinely conduct lockdown drills to practice for emergency situations in which students and staff should stay behind locked doors for safety reasons. During a lockdown the school will:

1. Secure all buildings
2. Account for all persons
3. Communicate pertinent information over the course of the incident.

Tips for Parents

We understand emergency situations can be scary and challenging, however, Laveen staff is trained and prepared to ensure the safety of its students.

During a lockdown, please follow these tips:

- Do **NOT** call your child
 - Our goal is to keep your children from being seen or heard.
- Do **NOT** call the School
 - Parents will be notified throughout the incident via ParentSquare
- Do **NOT** come to the School
 - The school will not allow access to any outside visitors, including parents. Persons gathering outside a school put themselves at risk, and can delay the emergency response.

For more comprehensive information on what steps the district is taking to keep your children safe, please visit www.laveenschools.org/school-safety
