

THE PANTHER PRINT

PRINCIPAL: BRETT HUMPHREY ASSISTANT PRINCIPAL: ASHLEY GRANT

Trailside Point Performing Arts Academy Families,

Thanks for a great 1st quarter. This quarter was one of the most significant quarters in student, staff, and family's educational career as we moved back to full-time in-person learning.

Students at T.S.P. will start the 2nd quarter by practicing following the PACT by doing their Personal Best, being Accountable, Critical Thinkers, and Tolerant around campus. Be sure to review P.A.C.T. behavior with students and discuss appropriate ways to communicate, learn, and play with others.

We have had MUCH success at school regarding mitigation strategies, including sanitation, cohorting, and wearing masks. We have upcoming events to connect and celebrate the T.S.P. community, including curriculum night, parent-teacher conferences, Halloween Hoopla, and sports. With that said, to host these events, please be mindful that when visitors come to campus, face coverings/masks are worn while indoors.

Our focus moving forward is accelerated learning. We are looking forward to parents meeting with your child's teacher the week of October 18th to discuss your student's progress (s). Parent-Teacher Conferences are an important opportunity to collaborate and accelerate the learning of the T.S.P. students.

Thank you for your support and dedication to your child's education.

Brett Humphrey
Principal
Trailside Point Performing Arts Academy

HALLOWEEN HOOPLA

PETER PIPER PIZZA NIGHT

Trailside Employees of the Month (Our Superheroes!)

Lindsey Callis

Ms. Callis has such a calming presence around her students! She consistently has a positive attitude and is always looking for ways to improve her practice. Congratulations, Ms. Callis!

Heather Sanchez

Ms. Sanchez greets every parent, student, and staff member with a smile! She has helped in every area all around campus. We are very lucky to have her here at TSP! Well deserved, Ms. Sanchez!

Students, parents, and teachers had a blast at Peter Piper Pizza Night! 15% of the food, beverage, and funpass game credits directly benefited TSP. The students even earned an extra reward for dressing up as a superhero!

SRP ENERGY LESSON

SRP came to our school and taught our 6th grade students about how energy is produced. The students had an opportunity to ride on the energy bike as well! What a great way to connect community, school, and home learning! Thank you, SRP!
