Mission:

Our mission, governed by the collaboration of families, educators, and community, is to create a safe, effective, and positive learning environment that accelerates academic excellence and social growth, empowering lifelong learners.

Dear Students and Families,

Meet the Teacher night was a fantastic success! It was wonderful to see all of our families smiling as we began the 2022-2023 school year. We are overjoyed and can't wait to watch what our students accomplish this year.

This year's school-wide theme is "**Everyone Fits in at Trailside Point.**" Our mission is to promote inclusivity and the importance of meaningful relationships. We want our students and families to understand that you are important. Everyone is included, no one is left out, and everyone is an important part of our Trailside Point Family.

During our first day back, we had our **P.A.C.T.** expectations assembly with each grade level. **P.A.C.T.** stands for **Personal Best, Accountable, Critical Thinker, and Tolerant.** During the expectations assembly, students are taught how to follow the P.A.C.T. expectations in the cafeteria, on the playground, and in the classroom. We hold students accountable to these expectations in order to establish a secure learning environment and to assist our students not only at school but also in their daily lives.

We are looking forward to a fantastic first month of the school year. Remember our theme for this year's students, families, and community... **Everyone fit in at Trailside Point!**

Smiles,

Ashley Grant
